

HOPE HAVEN
RWANDA

April 2019

Be the Hands and Feet

Spring has sprung here in Denver, and we are busy planning for another amazing summer of ministry in Rwanda!

Recently, a friend humorously pointed out that our family has it all backwards—we should spend the summer in Colorado and the winters in Rwanda! That would be more comfortable, but, as we all know, **the most important thing is to be where God wants you—when He wants you there!**

On May 1st, my wife Kimberly, and our three youngest children, Tiffany, Lindsay and Jack, will fly to Rwanda for our second summer of service in one of the most astonishing nations in the world. We have seen God at work in so many ways in this extraordinary place, and it will be our joy to host more than 100 Americans at Hope Haven Rwanda during the next few months. Please let us know if God is calling you to serve alongside us. [There are still opportunities!](#)

There are also still seats available for this year's Fabric of Hope. Priscillah Kembabzi will be sharing her incredible story, along with six of our Hope Haven students. I don't want to give away too much of her story before she shares it live in Denver on April 24th, but let me just say you will be blown away by the stories of God's faithfulness in Priscillah's life. A victim of violence in a war-torn country, growing into a strong

woman of God, earning a Master's Degree in Psychology, serving as Family Director in one of the top schools on Rwanda and a successful entrepreneur.

We will lift the name of Jesus high, showcasing how He is at work in some of the most desperate places in our world! **Register today for this special evening** together with Priscillah, the His Little Feet International Choir and our Hope Haven Rwanda Leadership Team. You will be deeply encouraged and challenged!

What a joy to be part of God's transformative work in Rwanda. Please partner with us in prayer and continue to invest alongside us. Thank you for being part of our Hope Haven Rwanda family!
