

## Term 1 Letter Writing Suggestions

1. Wish your child health and blessings in the new year! Ask him or her what you can pray for on their behalf throughout the year and if they have any specific goals in mind.
2. Ask your child how their school break and Christmas was. Perhaps they spent a lot of time with friends or extended family. Your child will love knowing that you were thinking about them over break and care about how they spent their Christmas.
3. Ask them about their Easter traditions and share about yours. Your child will be curious to know how you celebrate this special holiday.
4. More about yourself and answer questions from their last letter. Your child is excited to get to know you more!

You may expect a response from your child to arrive via mail in April. If you have any questions or need assistance, please contact me at [paige@hopehavenrwanda.org](mailto:paige@hopehavenrwanda.org).
