

HOPE HAVEN
RWANDA

January 2020

New Beginnings!

As we reflect on a year of astonishing growth, we thank God for each one of you! We are filled with joy as we consider the progression in relationships, the deep investments and the miracles that we witnessed during 2019. So many of you sacrificially shared your resources to advance God's Kingdom in one of the most impoverished regions of Rwanda. *Thank you.*

In 2019, Hope Haven Rwanda was awarded the designation of "A Public Service" by the Rwandan government. We believe that this designation was granted because we support the Rwandan Government through a thoughtful and inclusive approach to the vision of their incredible national leaders. **In addition, the education at Hope Haven has led to superior national test scores, and in some cases a perfect score.**

As a Public Service, the Gasabo District helped us to acquire 9 additional acres of land through Expropriation. This new land allows for Hope Haven to expand our educational campus to include a full Secondary Boarding school. **With 750 students enrolled at Hope Haven today, we need your help to build the secondary school so that we can eventually serve more than 1,600 students each year!**

Because of your generosity, all of our students received new uniforms this year as well. Whether studying hard in the classroom or enjoying the life of a child on the sports field, our students are well-equipped. **Thanks, Hope Angels, and others, for your Christmas gifts!**

This is the perfect time to start planning your visit to Rwanda this summer. Can you imagine how God would transform your home through a [Family Camp](#) experience at Hope Haven? It is easier than you think and your family will never be the same!

Thank you for being part of a fantastic year of growth for Hope Haven Rwanda—we invite you to invest with us as we enter 2020 with anxious expectation! **Please continue to pray, give and consider coming for a visit to witness this miracle firsthand!**

Dr. Jason Peters, CEO

P.S. I want to personally invite you to join us on April 22nd for the [Fabric of Hope](#). Meet Fred Karangwa, School Director, and be inspired by our eight students who are touring this year in an amazing international children's choir!
