

HOPE HAVEN  
RWANDA

January

2021

### 2021 is here and we've got big dreams!

We know that we are making transformational investments at Hope Haven Rwanda. Our Rwandan students are growing, both at home with their parents as well as under the tutelage of the experienced teachers and leaders at Hope Haven. They are the next generation for Rwanda, and it is our joy to help equip them.

As with our own children, preparing Rwandan students is a long-term investment. The ROI may not be clear for decades. Yet, we know how important education is. We are confident that these children will grow into the Christian leaders of Rwanda.

**Because of God's provision, we are beginning construction on our secondary school campus in the first quarter of 2021 and we couldn't be more excited.** Watch as God opens the doors for hundreds of more students on campus. Each one of these students represents a life filled with a new hope, for them and for their families! We are breaking the cycle of poverty and YOU are part of this epic story!

**As we enter into 2021, let's commit to doing life better.**

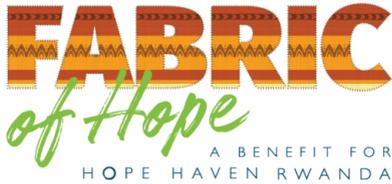

Loving better.

Serving better.

Making investments in the next generation.

**The relational investments we make today will pay huge dividends in the end.** What a wonderful day that will be!

## KUGABA Korner

Thank you to all the Hope Angels who made their Christmas gift donation for a new raincoat. We plan to distribute them in the coming weeks and will send photos so you can see the joy on all the students' faces.

This week, we learned that all nursery and lower primary students will be returning to school on January 18. This will bring our campus back to full attendance with 753 students! Please pray for an easy transition for the littlest of our students and their teachers.

**With everyone back at school we are ready to proceed with Letter Writing Day. Please submit your letter by February 1** to allow time for our staff to print and organize each submission. You can log into your account by [clicking here](#). From your home page click on **My Account** in the top menu and then **Inbox**. Click on **New Message** to get started.

**To-date, 291 students are sponsored!** Thank you for your generosity and commitment to seeing your child and their classmates succeed. **If you are not a Hope Angel, we invite you to sign up now so you can participate in the upcoming Letter Writing Day.** [Visit our website](#) for more information.
